Conference On
**MAKE IN
STEEL**

17th Feb '17 | New Delhi

About The Event

The Make in Steel Conference will be held on February 17th at Le Meridien Hotel, New Delhi.

Conference on Make in Steel comprises two key elements:

1. A high level summit &
2. Representations from India's steel manufacturing & user industries.

Make in Steel 2017 is an important industry summit providing a neutral platform for critical issue-based interaction and discussions; showcasing cutting-edge technologies and solutions for steel making, policy planning, raw material security, material management, supply chain, logistics & environment as well as unparalleled business matching and networking opportunities.

This summit, in partnership with the leading agencies of the Government of India is likely to attract over 300+ attendees from 15+ countries.

Visionaries

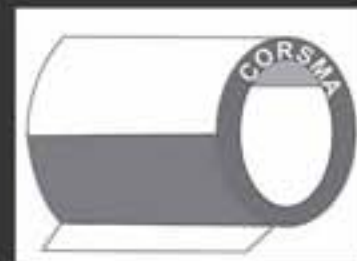

Ch. Birender Singh,
Hon'ble Union Minister for Steel

Dr. Aruna Sharma, IAS
Secretary, Ministry of Steel
